and indeed "have not far to go."

onciliation, seem to have forgotten the experiment so recently and so persistently opposed the old time-honored principles of States Rights. the "reform" movement, in which, in their better judgment, nearly the mould be glad to do it again! whole people of the State united. High hopes were built upon the result;

Norming illustrates more pertidown-cast farmer, as described by of fungus growths.

that it is necessary we should do him the sand to speak, is an admission that he and to speak, is an admission that he and the Southern people have something to conceal. The enemy will take the same advantage of silence, as he would of the numest candor. Silence,

platform for the election of 1872. One can have more patience with a and that we propose to accept Butler or a Phillips than with those the platform and ticket in perfect Southern people who damn their own good faith. From this time until at-ter the Possidential election, let it therefore be understood that it is for prudence. Such are the Southern Northern and Western Democrats and Imen and Southern Journals that timanti-Radicals to declare what citizens among their own number shall be Davis' mouth, that doubt the expehosen for the Presidency and Vice diency of the utterance of such senti-

and the choice of candidates to north- ever under Radical domination, cro and western men. They will then to obtain equality by becoming worse than Radicals ourselves that, under oppression and in vassainge, we can at least resupen the very night that the Tulierie wisdom or the right of any Radical tain self-respect and a clear con-science, but that, conscience and self-ended the condict without the loss of an

power to destroy? Could it be legally concended by adding a new article clothing Congress with power to take property without compensation, liberty vithout process of civil law and the conquered trace of the intelligent of their own party.

There, offering to surrender on the single condition that the lives of all his followers and collesgues should be spared. That this proposition, if ever made, was promptly refused, in evident from the terrible scenes that followed.

Charleston has had but how since the conduction that the lives of all his followers and collesgues should be spared. That this proposition, if ever made, was promptly refused, in evident from the terrible scenes that followed.

Charleston has had but how since the conduction that the lives of all his followers and collesgues should be spared. That this proposition that the lives of all his followers and collesgues should be spared. That this proposition that the lives of all his followers and collesgues should be spared. That this proposition that the lives of all his followers and collesgues should be spared. That the proposition that the lives of all his followers and collesgues should be spared. The proposition that the lives of all his followers and collesgues should be spared. The proposition that the lives of all his followers and collesgues should be spared. The proposition that the lives of all his followers and collesgues should be spared. The proposition that the lives of all his followers and collesgues should be spared. The proposition that the lives of all his followers and collesgues should be spared. The proposition that the lives of all his followers and collesgues should be spared. The proposition that the lives of all his followers and collesgues should be spared. The proposition that the lives of all his followers and collesgues should be spared. The proposition that the proposition that the lives of all his followers and collesgues and co Ing Congress with power to take property without compensation, liberty without compensation, liberty without process of civil law, and life without trial by jurys' Could it be improved by being destroyed as to its improved by force of the interingent of the in improved by being destroyed as to its repentance, as well as submission,most essential provisions? And were the conviction that we were wrong. Mr. Bacot, who was there kept in office our fathers so stupid as to provide for destroying the Constitution by a rule and under forms prescribed by that instrument itself. Because the people in their sovereless cancelly our nothing but contempt. It would only nothing but contempt. ple in their sovereign capacity can nothing but contempt. It would only erect a despot m if they will, does it follow that they have empowered the agents they have appointed to enforce the Constitution as to large the constitution as the appointed to enforce the Constitution so to "amend" it as to make it inefficient for the protection of State and individual rights, which was the grand object of its original adoption? Can three-fourths of the protection of the protection of State and individual rights, which was the grand object of its original adoption? Can three-fourths of the because its notes rang out clear and shakings in the trumpet give no uncertain sound in the evening because its notes rang out clear and shakings in the trumpet give no uncertain sound in the evening because its notes range of the passed upon every Southern man in the passed upon every Sout adoption? Can three-fourths of the because its notes rang out clear and backet for the states tear down what it required unanimous consent to erect? Must not that which is done under the

that it comes from Massachusetts. In fact, a Democrat in Massachusetts must be the choicest of honest, sound thinkers and good fellows:

South Darthouth, Mass, June 8, 1871. Editors Appeal-During the late WEDNESDAY MORNING, : : JUNE 14, 1871 conflict between the States I was constantly reminded of the fact that the L. of the Cincinnati Commercial, the dissatisfaction the movement among the Ohio Democracy, known as the new departure." It is indeed surpost along grudgingly, growls at construction and American drags its slow in a departure." It is indeed surposed along gradgingly, growls at rendering at discretion to the foe. I have a specific pull, and will only enhanced by the Democrats of the Democrats of

The defenders of the "new departure." The defenders of the "new departure." In their plea for compromise and ure, "in their plea for compromise and new departure." In their plea for compromise and new departure, "in the ne

a brighter day seemed about to dawn THE Arglanche, some time since upon the sorely tried little State; put a chip on its rusty beaver and rine corps, on duty in the grave yard, when the election came to prove that asked us to knock it off. It wanted conciliation and compromise were to know how, except by revolution utterly in vain, and men felt that and bloodshed, the ballot can be utterly in vain, and men felt that they had at least endangered principle, and gained nothing in return. It escaped or failed to arrest particular treated what can the living expect. ple, and gained nothing in return. It escaped or failed to arrest particular behooves us to beware, lest after sec- attention at the time because of its inreliance which ever attended adherence to principle, we find ourselves

Avalanche croaks half a column again rifleing our self-respect, and the self- significance. But the Jackson Demoagain defeated by our enemies, and with all the brilliance of its as one of his appointees. Beyond question, the present Federal administration who was particularly gifted in buttorholing his neighbors with an evernently and accurately the sum, sub-stance and significance of the "new departure" than the conduct of a departure" than the conduct of a Upcle Ephraim, who had a neighbor claim, "vell yot of it?" Suppose we have no occasion to knock the chip bath breaker joined the church. One bath breaker joined the church. One the means of recovering what the means of recovering what has never been legally given, to whose church he belonged, "Well, Uncle Ephe," said he, "do you see any difference in Mr. P—— since he joined the church?" "Oh, yes," said Uncle Ephe, "a great difference. Be

bis shoulder, but now be carries it vices and orime, infanticide and rhis coat." We have imagined that the Mobile Register and others like it, who have "departed," carry axes under their coats with which in them, and so we omit these from proved upon it, like thousands of others are like the sum of the freedman and bloodshed" in them, and so we omit these from proved upon it, like thousands of others are like in Hickman county, Tennessee, to make a subordinate of the Freedman of the freedman and people. As a subordinate of the Freedman of the sum of the s ballot, which our neighbor is as eager-

for prudential reasons, he will conoften timorous. They are apt to be strue into a secret rebellious temper, afraid of the outspoken truth, which, and make much of it. And frank- when concealed, betokens the appreness of utterance will be equally grist | hensions of despotism. They tremble to his mill. Since then the purpose is and speak at low breath, and abandonto misconstrue us any way, we think | ing principle for policy and setting up it will be as well if every Southern platforms they know to be false to de-The South has none but honest triends that they are only fighting the thoughts and none to conceal.
